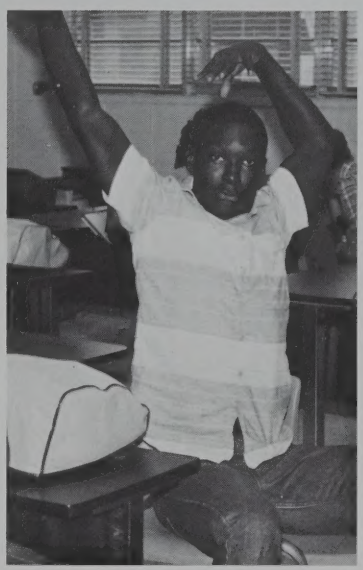
Happiness



You'll find when you smile
your day will be brighter
And all of your burdens
will seem so much lighter —
For each time you smile
you will find it is true . . .
Somebody, Somewhere
will *smile back at you!*

Relaxation

When it's time to relax after a hard week of tests, club meetings, and classes, for most Bay High students there is only one solution — cruisin' to the beach in a jeep filled with friends. on those gorgeous sun-drenched afternoons when the temperature is 97° and it's only Wednesday, you just have to take time off from the books to play in the sun. Throwing the frisbee, playing volleyball, or just talking with friends makes school a little less difficult! And, somehow, the weekend seems to come a little bit sooner!

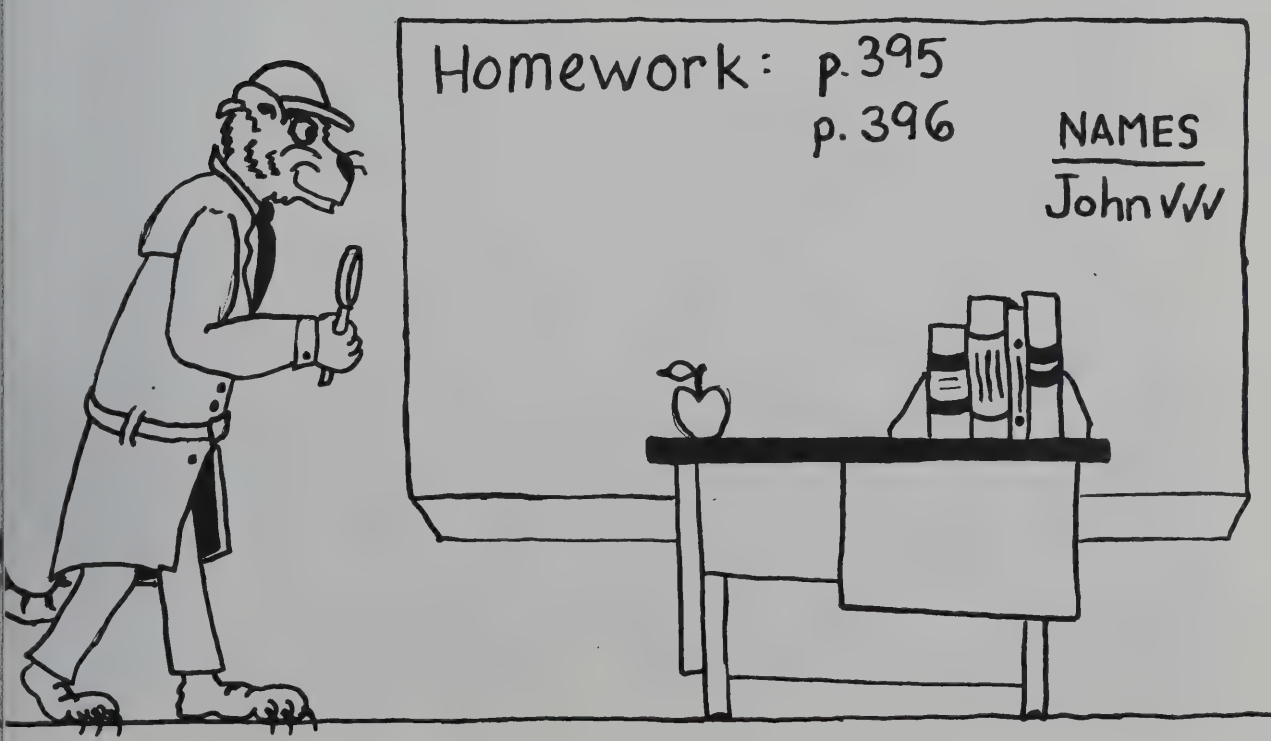
Leadership



SUPERINTENDENT

Dr. Roger D. Oge

A Yearbook is more than printed pages, clever sayings, and photographs. Our Tiger '87 is, in a very real sense, a lasting record of memories — your memories — the memories you hold both individually and in common as students of Bay High. My sincere wish and the wish of the faculty and administration is that those memories are pleasant ones; ones which you will cherish and build your character throughout your life. Our wish is also that your days here at Bay High have been enjoyable and filled with learning and growth. Hopefully, you have received an education that will serve you well throughout your lives, and the memories within these pages will serve you in those quiet moments when your thoughts return to your days spent with us.

On behalf of the faculty and administration, I sincerely wish you health, happiness, and success throughout your life.

In Memory of

Shaw

Many of us here at Bay High were Shaw's good friends.

We are all so sorry that his life had to end.

Although he will be in a very beautiful place,

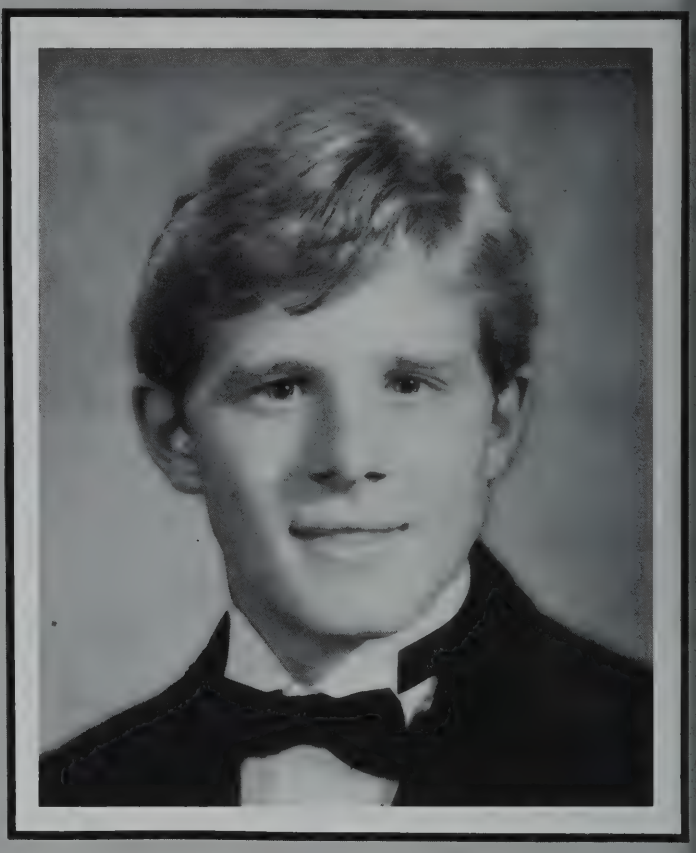
We will all miss his friendly face.

He had a warm friendship that he always shared.

He had a great personality and always seemed to care.

The memory of you will linger on with us throughout the years.

-By Kerri Kingston



Shaw was an active member of the yearbook staff, a previous member of the Student Council, a member of the soccer team, a member of the Co-Ed "Y" Club and an Alpha Honor Roll Student.

AS YOU GRADUATE
FROM HIGH SCHOOL
It's hard to leave
the past behind
For school days,
from the start,
From memories so rich and full,
They never leave the heart . . .
But life's a big adventure
And though each day
may be new,
Somehow the best things
from the past
Just go along with you!

Juniors

Being a Junior takes a lot out of a person. After spending endless hours on a Homecoming Float, other class activities, and Prom (how could we forget), a Junior hardly has time to study. This year's Juniors certainly accomplished many of those feats. We won first place in the Homecoming Parade for our Float, "Burger the Bearcats." We raised money for any Junior to have the opportunity to go to Washington, D.C. with Mrs. Thomas in the spring. Probably the most exciting event was the JUNIOR-SENIOR PROM! Thanks to everyone's participation we were able to put together an outstanding Prom.

We would like to send special thanks to Mrs. Hamm and Mrs. Griffin, for without their dedication and concern, as our sponsors, we would not have had a successful year.

Sophomores

Being a Sophomore may seem like a year with little activity because you are stuck in the middle. You're not a Freshman, and you're not an upperclassman. But the Sophomore class proved this to be completely wrong. There was that driver's license you had to get, decisions to make about vocation, not to mention homework and other school activities.

This year the Sophomore class put in long hours and a lot of hard work on their Homecoming Float, which was a success. We would like to thank Mr. Blanchette and Mr. Laird, our sponsors, and those who contributed their time to our float.

Freshmen

Being a Freshman in high school certainly has its drawbacks, and Bay Senior High is no exception. We're the youngest, the most unfamiliar with the surroundings, and probably the most nervous.

As Freshmen at BHS, we have found it quite a change from junior high school. However, we did show the upperclassmen who we are! We placed second in the Homecoming Float Contest. The theme of our float was "Spear the Bearcats." We spent many hard, long hours working with our sponsor, Miss McDonald, to earn that honor. We would like to thank her and tell her, "Without

And Campus Supply has it.

Your class ring should be as unique and special as you are. And it can be, when it's from Balfour. Because **you** choose the style, the stone, the decoration, the engraving—to create a class ring that is yours alone. Your own personal class ring from Balfour. No other can express who you are so exactly. Or help you recall those special times so clearly.

1987 TIGER EDITOR AND CO-EDITOR

Kim Krankey — Co-Editor

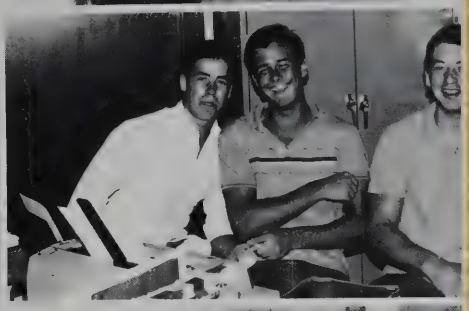
Matthew Cameron — Editor

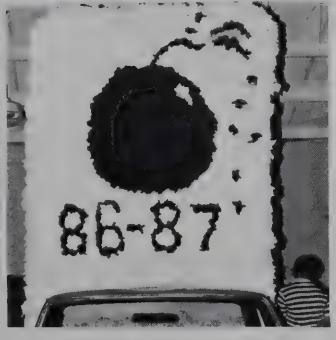
As we come to the end of another year we realize the many things we have accomplished and the many things yet to accomplish. We hope the TIGER '87 has recorded some of your favorite memories and moments at Bay High.

As Editor and Co-Editor we would like to extend our best wishes to the departing Seniors. We hope your "SEARCH" will be a happy one.

Matthew Cameron — Editor
Kim Krankey — Co-Editor

SENIORS





GRADUATION IS A BEGINNING OF A VERY SPECIAL TIME IN LIFE. IT IS THE ACHIEVEMENT OF ONE GOAL AND THE OPPORTUNITY TO SET NEW ONES. THERE IS NO LIMIT TO THE CHALLENGE IT CAN OFFER, THE SATISFACTION IT CAN BRING, OR THE WORLD OF ACCOMPLISHMENT IT CAN HOLD.

To reach the port of success we must search,
sometimes with the wind sometimes against it —
but we must search, not drift or lie at anchor!
